AS FASCINATING
AS ON THE
VERY FIRST DAY.
BMW COSMETIC REPAIRS.

FOR UNDIMINISHED PLEASURE IN YOUR BMW.

A dent in the body, a scratch in the paintwork, a tear in the upholstery or a stone chip on the windscreen – even the smallest damage spoils the overall look of your BMW, diminishing both the driving pleasure and value of your automobile.

With BMW Cosmetic Repairs, your BMW Service Partner eliminates these minor traces of everyday use without much effort – quickly, precisely and in typical BMW quality. And not only for undiminished driving pleasure: an impeccable appearance also ensures your BMW retains its value.

Also the wide range of Original BMW Care Products helps make sure your BMW stays as shiny as it was as on the very first day – even after many years.

FOR A TENDED EXTERIOR. BMW SPORT REPAIR.

A scratch on the paintwork disturbs the appearance of your BMW. With the environment-friendly water based paint, our service specialists remove minor paintwork damage quickly, precisely and inexpensively. Without removing parts – and with brilliant results for you.

Especially suitable for stone chips and scratches:

- Up to 25 mm Ø and 100 mm in length.
- In marginal areas, at edges and on trim strips.
