

# Creta

#### REAR COMBINATION LAMPS

Strikingly large and handsome tail lights feature a split-type design for maximum brilliance and durability. They also incorporate clear lenses for the back-up lights.

#### REAR GARNISH

Chrome garnish creates an upscale look and is exclusive to the GLS while in GL trim, the garnish matches the body color for an equally impressive presentation.

#### ANTI-LOCK BRAKE SYSTEM

In a panic braking situation, one or more wheels may lose traction which leads to a loss of directional control. ABS applies braking power over individual wheels to help the driver maintain full directional control of the vehicle.

#### DUAL AIR BAGS

THE LATEST DEPOWERED-TYPE FRONT AIRBAGS SERVE THE DRIVER AND FRONT SEAT PASSENGER.

#### ELECTRONIC STABILITY CONTROL

Using inputs from multiple sensors including vehicle speed and performing thousands of calculations per second, ESC regulates engine output and adjusts braking power over individual wheels to prevent the loss of directional control.

6-speed Automatic Transmission

#### 1.6L Petrol Engine Dual VTVT Technology

Max. Power  
123ps/6,400rpm

Max. Torque  
15.4 kgm

6-speed Manual &  
Automatic Transmission

# BRAND NEW HYUNDAI CRETA- SUV

## ENGINE

MAX POWER	1591 cc
MAX TORQUE	123/6,400
	15.4/4,850
