

# Driving innovation.

## IONIQ hybrid

# The future is here.

I really admire the elegance and simplicity of my IONIQ. It looks futuristic and inside, it's brimming with innovative features. IONIQ slices through the wind like no other car aided by its low coefficient of drag that allows me to enjoy a whisper quiet ride and great fuel efficiency.

Aerodynamic Cd **0.24**

#### Radiator grille

The signature hexagonal grille features computer-controlled flaps that close automatically to improve aerodynamics.

#### LED rear combination lamps

Stylish lamps feature LED technology to deliver maximum illumination while drawing a minimal amount of electricity.

#### Rear bumper

Two-tone bumper has a graphic insert to add a sporty touch and provide continuity with the front end design.

The GLS model with optional equipment is shown here.

### Dual clutch transmission (DCT)

IONIQ is equipped with a dual clutch transmission that puts the fun into driving. In sports mode, the DCT lets me shift as much as I like. At anytime, I can just switch to automatic mode and enjoy a more relaxing drive. Either way, gear changes are lightning fast. And manual mode gives me sporty performance without the bother of a foot clutch. IONIQ really does put excitement into hybrid driving.

#### Intuitive gear shift lever

This handy feature gives me a choice of ECO/Sport with manual. All I takes is a gentle flick of the wrist to change the drive mode setting. And the palm of my hand falls naturally atop the shift lever for effortless gear selection.

### Aluminum hood and liftgate

In order to attain the best possible fuel efficiency, IONIQ was put on a diet: IONIQ's hood and liftgate are fabricated from weight-saving aluminum instead of traditional steel. Hot stamping, high-tech adhesives and other innovative manufacturing methods were adopted to reinforce safety critical structures.

#### 7-airbag system

My passengers & I enjoy complete protection thanks to 7 airbags: a pair of front airbags for my front passenger & I plus an airbag for my knees. A pair of side airbags (front only) and full-length curtain airbags defend against side collisions.

# BRAND NEW HYUNDAI IONIQ - HYBRID

## ENGINE

MAX POWER	1580 cc (GDi Gasoline Engine)
MAX TORQUE	105/5,700
	15.0/4,000

## TRANSMISSION

6 Speed Dual Clutch Auto Transmission with Sports Mode

## SUSPENSION

### FRONT REAR

: MacPherson strut type with shock absorbers  
: Coupled Torsion beam axle

## STEERING

: Motor Driven Power Steering (MDPS)

ELECTRIC MOTOR  
MAX POWER (kw)  
MAX TORQUE (Nm)  
BATTERY TYPE

Permanent Magnet Synchronous Motor (PMSM) Type  
32  
170  
Lithium-ion polymer

## EXTERIOR

- Electric Folding Mirror
- Side Repeater Lamp - Driver & Passenger
- Electric Chromatic Mirrors
- Front Projection- Low Beam
- Puddle Lamp
- Body Colored Door Handles and Bumpers
- Wiper Blade Aero
- LED Illumination on Front Door Handles (Driver + Passenger)
- 17" Alloy Wheels
- Full Alloy Spare

## INTERIOR

- Manual Tilt / Rake Steering wheel
- Auto Temperature Control
- Console Ventilation Duct
- Power Mirrors (Auto Up/Down Safety)
- Power Seat (Driver)
- Lumbar Support (Driver)
- Luxury Full Cloth Upholstery Seats
- 6:4 Split Back Folding Seats
- Seat Back Pockets
- Chrome Coated Beltline
- Solar with Tinted Sun band on Windscreen
- Vanity Mirror with Illumination (Driver+ Passenger)
- Luggage Net & Net Hook

## SAFETY

- Dual Air bags (Driver + Passenger)
- Side Air Bags
- A.B.S + ESC + HAC
- Immobilizer
- Auto Light Control
- Rear View Camera with Dynamic Guidelines
- Rear Parking Assist System
- Central Door Locking
- Drive Mode Selector
- Low Washer Fluid Warning

## COMFORT & CONVENIENCE

- Audio Remote Control
- Super Vision Cluster with 4.2' LCD
- Smart Key and Push Button Start
- Auto Cruise Control
- Aux, USB, Bluetooth & Tweeter
- Radio + CD+ 5.0" LCD
- Trip meter, Tachometer, Odometer
- Ash Tray & Cigar Lighter
- Cup Holder at Center Arm Rest
- Map Lamp with Sunglass Case
- Daytime Running Lights
- Power Outlet, Floor Console
- 12V Battery Reset Switch

**SPECIAL INTRODUCTORY SELLING PRICE : Rs. 9,950,000.00**

## WARRANTY SERVICES DELIVERY VALIDITY

: 3 Years or 100,000 kms whichever occurs first  
: 2 labor free services at 5,000km & 10,000km  
: Ex-Stock on first come first serve basis until stocks last.  
: 15 Days from the date of issuance

**For inquiries contact : 0715 866 866**
